how to master it centered around the well known ballad body and soul the class will explain how to develop a strong and musical perception of the tune leading to creative and'

'what makes a jazz ballad a jazz ballad musictheory
April 4th, 2020 - the only thing i can gather for a jazz ballad type piece is straight rhythms this isn t necessarily true the reason they sound straight is because the melodies of a lot of ballads are slower and made up of more longer notes so you don t get as many eighth notes which are what normally has the most swing' *'jazz ballads archives piano*
