May 29th, 2020 -

dirty deeds stands
out as a great leap
for the band in many
ways for me they have
great memorable songs
on this album even if
not as well know
today as they were 20
years ago but they

are all distinctly
different lyrically
and musically even if
bon was still the
overly macho man and
often sexist pig
persona this was part
of his act and he was
living up to his

image of a larger
than life rock''**dirty**
