*May 20th, 2020 - witches and neighbours is a highly original and
unconventional analysis of a fascinating historical phenomenon
unlike other studies of the subject which focus on the mechanisms of
persecution this book presents a rich picture of witchcraft as an all
pervasive aspect of life in early modern europe'*

'the spirit of 1848 german immigrants labor conflict and
*April 25th, 2020 - in the long run the book s strategy is to integrate
the german american experience through consideration of their role
in the political realignments of the 1850 s the turners and other
radical 1848ers are followed as they made the transition from radical
democrats in a european context to radical republicans in an
american one in the aftermath of the kansas nebraska act of 1854'*
