June 6th, 2020 -

stormriders or riders

were a race of beings

which lived in the deep

ocean trench of the

ocean of storms between

quon tali and korel they

were isolationist and

disliked foreigners and

were known to attack

ships crossing through

their territory for over

four thousand years they

lived in a constant state

of war with the residents

of korel who had built the

enormous stormwall

along the shore'
