### **Answers**

May 4th, 2020 - Saison yeast strains  
developed because the brewers would  
reuse yeast after every brew  
gradually transforming with every  
batch This meant very unique and  
characterful yeast strains developed  
Cultures available today all share  
these certain traits that developed  
and the yeast strain you use in a  
Saison recipe really is the driving  
force behind most of the flavour'
