'Change TV input without
remote MacRumors Forums
December 26th, 2019 - My
new house has a Sylvania
TV from way back in the
day Model SRT2319 It does
not have a remote control

with it although it
apparently came with one
I want to use it for my
360 until I can afford a
newer TV And there s the
snag Is it possible to
switch input to the front
inputs without having the
remote control

Thanks''Top 108 Reviews

'How do i hook my

Sylvania portable dvd player to my

December 22nd, 2019 -

Without model numbers we
can't check what inputs
your TV has If the TV has
a shared component
composite video input
then you are fine Check
the TV manual on how to
set it to composite video
yellow RCA and where to
connect it If the TV only

has HDMI inputs then you will need an active HDMI to AV converter A passive cable won t

work' '***Sylvania LC195SL8
