embellishment unit 1

introduction to

June 6th, 2020 - 1 1

definition of surface

embellishments fabric

embellishments are

decorations that are

normally added to fabrics

to make them more

beautiful because of the

nature of decorative

patterns which they create

mon materials that can be

used for this process

include fringe boutiques

beads and buttons in many

ways embellishment is the ultimate tool of the decorator'

'it s all about the surface fabric manipulation and

April 21st, 2020 - take your hand dyed printed painted and mercial fabrics and explore how to use them to create textures and relief on the surface of the cloth various techniques will be explored including twisting gathering pleating layering and weaving to create surfaces begging to be touched the result is work that is more tactile and captivating'

'on the surface thread embellishment amp

fabric manipulation

April 29th, 2020 - the experimental nature and versatility of surface stitchery should interest quilters sewers and fibre artists of all skill levels creative options are unlimited with the methods for manipulating fabric surfaces shown in this book which includes a variety of beginner projects"embroidery embellishment and surface design books

June 6th, 2020 - thank you

karon for your feedback

and for sharing your ideas

too satin is for sure a better

fabric to use for fabric

manipulation it flows well

and the sheen of the fabric

improves the appearance

of the manipulation other

sheer fabrics would also

work better than quilting

cottons i ll be looking

forward to seeing what you

make like like" **it s all about**
