### CSULB Chemical Engineering California State University

**May 2nd, 2018 - Environmental Engineering** This 18 unit interdisciplinary minor is designed for undergraduates from various engineering and science backgrounds who are interested in applying engineering approaches to environmental issues'

---

**'Engineering Lancaster University**

May 2nd, 2018 - For graduate prospects in Chemical Engineering The Times and Sunday Times Good University Guide 2018'

**'Home Page Chemical and Biological Engineering**

**May 1st, 2018 - 2018 British Columbia Regional Sanofi Biogenius Competition ? April 19 The Applied Science Faculty and Department of Chemical amp Biological Engineering are pleased to host the 2018 British Columbia Regional Sanofi Biogenius Competition SBC'**

**'Mechanical Engineering The University of Alabama College**

**May 2nd, 2018 - Mechanical engineering is the most versatile of all engineering programs Mechanical engineering encompasses the design analysis testing and manufacture of products used in every facet of modern society'**

*'Department of Civil and Environmental Engineering*

---

---

*April 30th, 2018 - Educational Objectives The objectives of the Bachelor of Science in Civil Engineering curriculum are to develop graduates who embody the following definitions'*

**'Home Chemical Engineering**

**April 28th, 2018 - The department has significant research activity in diverse and multidisciplinary areas including biomedical biochemical and environmental engineering macromolecular processes and products process systems engineering alternative energy microfluidics and biosensors"***Chemical Engineering The University of Melbourne*

*May 1st, 2018 - The Department of Chemical Engineering is a large and successful department within the Melbourne School of Engineering Our laboratories are housed across four locations including a substantially renovated main building a second building devoted exclusively to research two floors within the nearby Chemistry building and a presence within the"***Chemical Biological and Environmental Engineering**

**May 1st, 2018 - Tackling 21st century problems Energy storage clean water and cryopreservation were the subjects of research posters selected as award recipients from the School of Chemical Biological and Environmental Engineering at the College of Engineering's 2018 Graduate Research Showcase"***Home Civil Architectural and Environmental Engineering*

*May 1st, 2018 - Architectural Engineering students learn about the structural and mechanical design of buildings"***Department of Civil Construction and Environmental**

*May 1st, 2018 - Program Educational Objectives Civil engineering degree To carry out the mission of the college of engineering and the mission of the department described previously the department of civil construction and environmental engineering has established the following educational objectives for its undergraduate civil engineering degree program'*

---

---

**'Chem Eng LU Hemsida**

*May 1st, 2018 - Utbildning Utbildningen bygger på de kemitekniska grundstenarna reaktionsteknik och enhetsoperationer samt VA teknik'*

**'Department of Chemical Engineering People**

April 27th, 2018 - The CEE Department has 20 ladder rank faculty 9 adjunct faculty 5 cooperating faculty postdocs visiting academics and staff researchers They teach and work in the department s 3 000 square feet of teaching lab space and more than 15 000 square feet of research lab space'

**'MEng Chemical Engineering Study Imperial College London**

**April 18th, 2018 - Study programme All Chemical Engineering students study the same core programme for the first two years covering fundamental science and mathematics and how these apply to practical engineering problems"***Academics WPI*

*April 26th, 2018 - While our foundation has held firm we pride ourselves on continuing to modernize the curriculum and our teaching practices The prestigious 2016 Bernard M Gordon Prize for Innovation in Engineering and Technology Education is a nod both to our history and to our future recognizing WPI's project based curriculum developing leadership'*

**'Department of Chemical Engineering UW**

---

April 30th, 2018 - About Chemical Engineering Welcome to the Department of Chemical Engineering at the University of Wyoming Our department consists of nine faculty 31 graduate students and more than 200 undergraduate students from all over the world"**Chemical and Biological Engineering University of**

**April 26th, 2018 - Department of Chemical and Biological Engineering ChBE at University of Colorado Boulder'**

**'Chemical Engineering College of Engineering**

**April 30th, 2018 - Artie McFerrin Department of Chemical Engineering rises 6 places in U S News amp World Report graduate program rankings Texas A amp M University vice president of research to hold teaching position in the chemical engineering department'**

**'Department of Chemical Engineering Bucknell University**

April 11th, 2018 - The Department of Chemical Engineering guarantees an undergraduate research experience to every student before graduating and 70 90 of recent graduating classes have done research We also send students fully funded to national research conferences at a rate exceeding all other ChemE programs"**Chemical and Biological Engineering The University of**

May 1st, 2018 - Chemical engineering provides students with real world experience through laboratory classes hands on operation of pilot scale equipment and research projects that result in clean energy production and medical applications"**Department of Chemical Engineering**

**May 1st, 2018 - The Department of Chemical Engineering at UCT is a leading academic department and centre of excellence in undergraduate teaching and postgraduate research'**

---

**'Chemical Engineering Stanford Engineering**

May 2nd, 2018 - Eric Shaqfeh is the Lester Levi Carter Professor and Department Chair of Chemical Engineering at Stanford University In 2001 he received a dual appointment and became Professor of Mechanical Engineering'

**'Aerospace Engineering College of Engineering**

April 30th, 2018 - The Guggenheim School of Aerospace Engineering boasts one of the oldest and largest aerospace programs in the country Whether you want to build and fly all types of aircraft or dream of going into space the School s focus on problem solving can propel you into a rewarding career with many top aerospace firms and government research labs'

***'Penn State Engineering Department of Chemical Engineering***

*May 1st, 2018 - The Penn State Department of Chemical Engineering established in 1948 is recognized as one of the largest and most influential chemical engineering departments in the nation'*

***'Department of Chemical Engineering Faculty of***

*April 12th, 2018 - The Department of Chemical Engineering at Imperial College London is one of the world s leading institutions in both the teaching and research of chemical engineering and technology'*

---

---

**'Department of Electrical Engineering**

**May 2nd, 2018 - Electromagnetic Radiation and Human Health** The effect of electromagnetic radiation on human health is the subject of debate especially as it pertains to portable wireless devices"

**May 1st, 2018 - Students work around the clock to design a more inclusive campus during the 2018 Diversity Hackathon** Texas A amp M Engineering and Alamo Colleges District co enrollment program to begin offering classes fall

**2018"****Department of Chemical and Environmental Engineering**

**May 1st, 2018 - We are Hiring** We have multiple tenure track or tenured faculty openings focusing on environmental research including air and water and chemical processes involving advanced materials'

**'Chemical Biological and Materials Engineering**

April 28th, 2018 - Chemical engineers work in manufacturing pharmaceuticals healthcare design and construction pulp and paper petrochemicals food processing specialty chemicals microelectronics electronic and advanced materials polymers biotechnology environmental health and safety industries among others'

**'Department of Civil amp Environmental Engineering amp Earth**

**May 2nd, 2018 - Welcome to the Department of Civil amp Environmental Engineering amp Earth Sciences** Welcome to CEEES Our faculty and students are deepening the understanding of Natural and Man Made Hazards Civil Infrastructure Environment Energy and Earth and Planet Systems'
