'the witcher season of storms epilogue explained

May 27th, 2020 - this suggests that andrzej sapkowski isn t planning to write another story about geralt but leaves the option open to return to the witcher universe as there will be always darkness and the need for a witcher i don t have any facts to support my theory but i wouldn t be surprised if season of storms was andrzej s farewell to the witcher s story'

'why witcher fans should read season of storms tom s guide

---

---

May 28th, 2020 - season of storms is the latest but probably not final witcher novel and takes place between the last wish and sword of destiny the two short story collections that kicked off the whole enterprise''**season of storms witcher 6 powell s books**

May 23rd, 2020 - season of storms was actually published more than a decade after the other novels and as sapkowski has promised to never write anything set after the events of lady of the lake serves as a mid quel set between the events of the short stories however i would personally remend reading this as the last witcher book being a good way to depress from the finale''*season of storms a novel of the witcher now a major*

May 24th, 2020 - season of storms is an adventure set in the world of the witcher the book series that inspired the hit netflix show and bestselling video games geralts the witcher whose mission is to protect ordinary people from the monsters created with magic a mutant who has the task of killing unnatural beings'
