'clawhammer

May 21st, 2020 - clawhammer sometimes called frailing is a distinctive banjo playing style and a mon ponent of american old time music the principal difference between clawhammer style and

other styles is the picking direction traditional picking styles classic banjo including those for folk bluegrass and classical guitar consist of an up picking motion by the fingers and a down picking motion'

'***what is considered standard tuning for clawhammer banjo***

June 1st, 2020 - i tend to think of open g and double c as co equal standard tunings for old time banjo it would be hard for me to choose one as the most useful or most mon if you are playing mostly fiddle tunes which do make up a large part perhaps the bulk of the old time banjo repertoire i would think that double c might get the nod'

'***what are clawhammer and bluegrass banjo styles dummies***

June 1st, 2020 - north carolina banjo player earl scruggs is largely responsible for creating the bluegrass banjo style bringing it to national attention in the late 1940s and early 1950s within easy reach of the right hand thumb the 5th string is a big part of what makes banjo music sound unique and both the clawhammer and bluegrass styles focus a lot of"***how to play a clawhammer classic on the banjo dummies***
